## Postcode Listings - Urban areas

The suburb or Town/City name is supplied so that you can locate the correct street. It may not always be the name you are used to using. Where a street number range is given, this is because the street may pass through several postcode areas or extend into rural areas. Please visit our website at [www.nzpost.co.nz](http://www.nzpost.co.nz) and use our online Address and Postcode Finder to identify the correct postcode by street address. Alternatively contact our Customer Service team on 0800 501 501.

## Postcode Listings - Urban areas

The suburb or Town/City name is supplied so that you can locate the correct street. It may not always be the name you are used to using. Where a street number range is given, this is because the street may pass through several postcode areas or extend into rural areas. Please visit our website at [www.nzpost.co.nz](http://www.nzpost.co.nz) and use our online Address and Postcode Finder to identify the correct postcode by street address. Alternatively contact our Customer Service team on 0800 501 501.

## Postcode Listings - Urban areas

The suburb or Town/City name is supplied so that you can locate the correct street. It may not always be the name you are used to using. Where a street number range is given, this is because the street may pass through several postcode areas or extend into rural areas. Please visit our website at [www.nzpost.co.nz](http://www.nzpost.co.nz) and use our online Address and Postcode Finder to identify the correct postcode by street address. Alternatively contact our Customer Service team on 0800 501 501.
